Media Usage Consent

TrueLook may utilize images or videos captured from your jobsite for training, product development, or marketing purposes. By default, you grant TrueLook a non-exclusive, royalty-free, worldwide license to use such media unless you choose to opt out. I understand that this consent does not affect my ownership rights to the footage and that I may modify or revoke my consent at any time by providing written notice to TrueLook.

No, I do not grant permission for TrueLook to use images or videos from my project for these purposes.

You've got your quote, but there's more to see!
